Journal Editor

Co-editor with Jennifer Stinson, Special Issue, *Middle West Review: Environmental History Issue* 10, no. 1 (2023).

PUBLIC & DIGITAL HISTORY

Southern Mill Archive

2026 –

Project lead/instructor

Clemson University

<https://southernmillarchive.com/>

- Classroom-based digital archive project. Collaborating with Special Collections and Archives at Clemson University, students learn the basics of digitization, digital archival techniques, and digital publishing through the Omeka CMS.

Heartland History: The Podcast of the Midwestern History Association

2021 – 2025

Host/Producer

Eastern Illinois University/ Midwestern History Association

<https://podcasts.apple.com/us/podcast/heartland-history/id1180375277>

- Collect new scholarship relevant to the history of the Midwest, arrange author interviews, design questions, record interviews, edit, and publish the podcast episodes.

Digital History Initiative

2021 – 2024

Project Co-Coordinator

Eastern Illinois University

<http://eiudhi.com/>

- Establish a digital project repository in the Department of History. Collaborate with other faculty to create new course material and research projects that utilize podcasting, mapping projects, web-design, and databasing.

Prairie Stories

Spring 2024

Project Coordinator

Eastern Illinois University, Booth Library

<https://eiudhi.com/prairiestories/>

- As instructor of HIS 4935: Public History Practicum I worked with students and our community partner to create a physical and digital exhibit related to the history of the tall grass prairie. Students built a physical exhibit while also learning digitization, CMS management, and web publishing.

Working Artists: An Art Exhibition and Podcast Series

Spring 2022

Project Co-Coordinator

Eastern Illinois University, Tarble Arts Center

<https://open.spotify.com/show/0yAOzbgs2bKlvWY3Pq2vYd>

- As instructor of HIS 4935: Public History Practicum I worked with students to design and curate an exhibit that examines the history of the artwork and the artists supported by WPA programs. In addition to the curated exhibit, students designed, recorded, and produced podcasts.

The Nature of Illinois: Environmental Stories of the Prairie State

Fall 2021

Project Coordinator

Eastern Illinois University

<https://open.spotify.com/show/4T5HTcvXm44dq6rQfZehqN>

- As an instructor of HIS 51601: Graduate Seminar in US Environmental History, I required students to design, research, record, and publish podcasts related to the environmental history of Illinois.

COVID-19 Oral History Project

2021

Project Co-Coordinator

Eastern Illinois University

<https://thekeep.eiu.edu/covid-19/>

- As part of HIS 3000: Introduction to Public History students enrolled in the course designed, recorded, transcribed, and archived several oral histories that explored the student experience at EIU during 2020-2021 academic year.

Seward Family Digital Archive

2015 – 2019

Text Encoding Initiative and Technologies Manager

University of Rochester

<https://sewardproject.org/s/seward/page/home>

- *The Seward Family Digital Archive* is a digital, documentary-editing project that transcribes, annotates, and publishes nineteenth-century correspondence. The project utilizes XML coding and Drupal CMS to make letters machine-readable and searchable across letters by theme, persons, places, and bodies of literature.

William Blake Archive

2018

Research Assistant

University of Rochester

<https://www.blakearchive.org/>

- *The William Blake Archive* is an international collaborative digital project built and curated to provide access to the visual and literary works of William Blake. The site features high-resolution images, letters, receipts, and publications with detailed XML mark-up based on TEI standards.

HEAR UR

Fall 2017

Research Assistant

University of Rochester

<https://hearurpodcast.wixsite.com/hearur>

- *Hear UR* is a history-themed podcast. Students engage in high-end digital recording and audio editing to produce short and engaging podcasts based on the particular theme of the class. Podcasts are produced and published online using WordPress CMS and SoundCloud.

Virtual St. George's

Spring 2017

Research Assistant

University of Rochester

<https://dhfellows.digitalscholar.rochester.edu/faculty-projects/virtual-st-georges/#more-3705>

- Utilizing 3D modeling software and photogrammetry, *Virtual St. George's* reconstructs this 18th-century Bermudian city based on archaeological evidence and personal accounts. Using video game engines, the models contribute to an immersive educational experience to explore the social, architectural, and environmental realities of the Atlantic World. Files, models, and data are stored on Omeka CMS.
